

GOC Care

Aged • Disability • Community

Home Care Packages

Our aim is to develop a service and support plan that suits YOUR individual needs and aspirations

GOC Care can provide 4 levels of care

Level 1 / Level 2: support for basic care needs to low level care needs

Level 3 / Level 4: support for intermediate to high level care needs

Home Care Packaged Levels are subsidised by the Commonwealth Government and with a small weekly fee, eligible recipients will be able to access affordable services to remain living independently in their home such as:

- **Support Services :** Cleaning & light housework, personal laundry, meal preparation, gardening, grocery shopping & bill payments, transportation to appointments/social activity, Respite care in-home.
- **Personal Services:** Showering & bathing assistance, grooming assistance.
- **Clinical Care:** Nursing care, medication management, diabetes management, continence assessment/management.
- **Allied Health Services:** Dietary/Nutrition, Podiatry, Physiotherapy, Occupational Therapy, Speech Therapy.
